

# OKORIE-ORUH BLESSING CHINONYE

## Virtual Assistant & Web Support Specialist

Helping businesses stay organized, responsive, and professionally represented online through virtual assistance and web support.

 Nigeria (Remote) — Available Worldwide     [contact.blessing.services@gmail.com](mailto:contact.blessing.services@gmail.com)     [Portfolio](#)

### PROFESSIONAL SUMMARY

Organized and reliable Virtual Assistant with a strong foundation in digital operations and web support. I help remote businesses, startups, and agencies maintain structured workflows, professional communication, and a polished online presence. Skilled in managing complex inboxes, coordinating calendars, supporting website updates, and creating professional documentation. Adaptable across time zones and platforms, I bring a detail-oriented approach to remote collaboration that keeps operations running smoothly and clients well-supported.

### CORE SKILLS

#### Administrative & Operations

Email & Inbox Management • Calendar Coordination • Data Entry & Research • Documentation & File Organization • Client Communication • Workflow Coordination • Remote Collaboration

#### Website & Digital Support

Website Updates • Landing Page Support • Frontend Support (HTML/CSS) • Content Management • Basic UI/UX Support • Canva Design Support

### PROFESSIONAL EXPERIENCE

#### Independent Virtual Assistant & Website Support Specialist

2023 – Present

Remote (Serving International Clients)

- Manage end-to-end communication workflows for busy founders and remote teams, ensuring timely responses and organized correspondence.
- Coordinate digital operations including calendar scheduling, file organization, and documentation systems that improve team efficiency.
- Support website maintenance and updates using HTML/CSS, assisting with content edits, landing page adjustments, and basic frontend improvements.
- Develop and maintain structured documentation systems, SOPs, and client records that streamline onboarding and daily operations.
- Create professional visual assets, presentations, and branded materials using Canva to support marketing and client communications.
- Collaborate remotely across multiple time zones using project management tools to track deliverables and maintain accountability.

#### Administrative Intern

May 2022 – October 2022

BabTech Computers, Lagos

- Provided comprehensive administrative support including data entry, documentation, and record management for daily operations.
- Coordinated office workflows and maintained organized filing systems that improved information accessibility for the team.
- Supported operational processes through accurate data processing, appointment scheduling, and interdepartmental communication.
